

27th February 2023

USE OF ThermoWood® TRADEMARK

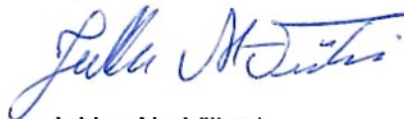

ThermoWood® is a trademark owned by the International Thermowood Association (ITWA). The legal right to use the trademark is available only to the permanent members of the ITWA, which are **Ekosampo Oy, Frøslev Træ A/S, HJT-Holz Oy, Heatwood AB, Koshii &Co., Ltd, LDCwood, NasWood, Novawood, Oy Lunawood Ltd, Oy SWM-Wood Ltd, Scottywood Corporation, Stora Enso Wood Products, Tantimber, Thermo-Drewno, Thermalwood Canada and Jartek Invest Oy.**

ThermoWood® Trademark Terms of Use:

- the ThermoWood® trademark may only be used in connection with the genuine ThermoWood® product. The genuine ThermoWood® product means thermally modified timber produced according to the ThermoWood® process by a permanent member of the ITWA
- where the further processing company uses the ThermoWood® trademark for marketing purposes, the name of the ThermoWood® producer (permanent member) shall be indicated on a product-by-product basis
- where the distributor uses the ThermoWood® trademark for marketing, the name of the producer (permanent member) shall be indicated on a product-by-product basis
- the use of the ThermoWood® trademark other than that described above is a violation against the trademark property.

Supporting member (passive member) and cooperation partner can agree with the permanent member and the ITWA on the use of the ThermoWood® trademark in the marketing of the genuine ThermoWood® product.
